

SDG LOUNGE SUMMIT OF THE FUTURE

#GrowingSolutions

FOR PEOPLE | FOR PLANET | FOR PEACE

#GrowingSolutions

This September, the United Nations will host the Summit of the Future, a key moment to strengthen global cooperation and multilateralism for the challenges ahead. Running alongside this milestone moment during the High-Level Week of the 79th UN General Assembly, the SDG Lounge at UN Headquarters will be a vibrant space for [#GrowingSolutions](#) to accelerate action toward the Sustainable Development Goals (SDGs).

What is the SDG Lounge?

Convened by the United Nations Deputy Secretary-General and hosted by the UN Office for Partnerships, from 22 – 26 September, the SDG Lounge will feature unscripted dialogues, deep dives into vital issues and host interactive experiences—all designed to keep the promise of the SDGs today, tomorrow and for future generations to come.
